

COMBINATION DEEP OFFSET SPANNER

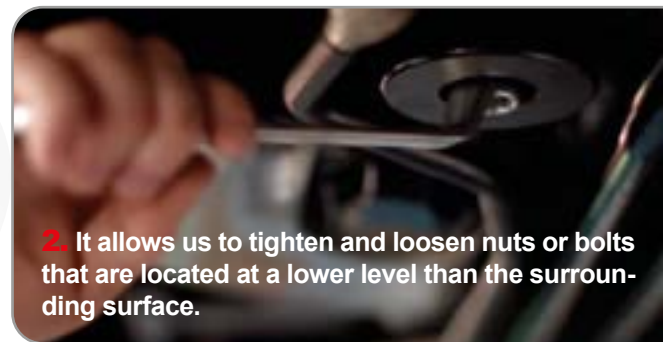

EGA Master offers a wide range of wrenches, mastergears, combination wrenches, offset wrenches, fixed wrenches, etc.

Manufactured in **Chrome-Vanadium** steel, they thoroughly withstand the strength values of the most demanding quality standards.

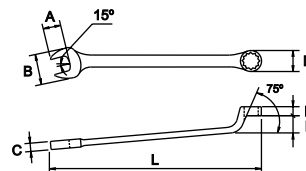

1. Multi-purpose tool combining an **open-end wrench** and an **offset box-end wrench** with a **75° angle**.

2. It allows us to tighten and loosen nuts or bolts that are located at a lower level than the surrounding surface.

3. Manufactured according to **DIN3113 B** standard.
